
Here are short bios for the identifiable people in that list. Note that several entries — `intl-collab@office.osaka-u.ac.jp`, `rxr01160@nifty.com`, `kbe@bio.aau.dk`, `kita@arch.eng.osaka-u.ac.jp`, `tlkbishop22@gmail.com`, and `takayama@knockonthedoor.jp` — couldn't be attributed to specific individuals from public information alone.

Andrej J. Zwitter · `andrej.zwitter@aau.at`

Professor of Humanities and Digitalization and Director of the Digital Age Research Center at the University of Klagenfurt, Austria. He was previously founding dean of the University College Fryslân and dean of the Faculty of Campus Fryslân at the University of Groningen, and co-founded the regional Urban Data Center Data Fryslân. His research covers data governance, digital ethics, sustainability, and societal resilience.

Ariel Macaspac Hernandez · `ariel.hernandez@giga-hamburg.de` / `ariel.hernandez@uni-due.de` / `ariel_macaspac@yahoo.de`

Senior researcher at the German Institute for Global and Area Studies (GIGA) and lecturer (Privatdozent) at the University of Duisburg-Essen. With dual doctorates and a habilitation in political science, economics and social sciences, his interdisciplinary expertise spans sustainability transitions, climate justice, knowledge cooperation, and negotiation studies. At GIGA, he leads the Transfer for Transformation initiative, fostering global knowledge exchange.

Olivia Bina · `bina@edu.ulisboa.pt`

Senior Researcher at the Instituto de Ciências Sociais, University of Lisbon, and Fellow of the World Academy of Art and Science. She holds a PhD in Human Geography from the University of Cambridge and coordinates the PhD Programme in Development Studies of the University of Lisbon. Her research focuses on sustainability, ecological economics, urban futures, and the paradigm of growth.

Brendan F.D. Barrett · `brendan.barrett.cgin@osaka-u.ac.jp`

An urban planner by training with expertise in urban sustainability, energy transitions, ethical cities, and science/research communication. Born and educated in the UK, he has spent the greater part of his professional and academic career based in Japan, currently as a professor at the Osaka University Center for the Study of Co*Design. He is also a Fellow of the Royal Society for the Encouragement of Arts, Manufacture and Commerce (UK) and founded the bi-lingual *Our World* magazine during his time with the United Nations.

Yasuo Deguchi · `deguchi.yasuo.7u@kyoto-u.ac.jp`

Co-Chairperson of the Kyoto Institute of Philosophy and Dean and Professor of Philosophy of the Graduate School of Letters, Kyoto University. His research fields include modern and contemporary Western philosophy and analytic Asian philosophy. He obtained his PhD on Kant's epistemology and ontology from Kyoto University, and also studied philosophy of science — especially probability and statistics — at the LSE.

Edmond Byrne · e.byrne@ucc.ie

Chair Professor and Head of the Department of Process & Chemical Engineering at University College Cork. His research interests extend to transdisciplinary approaches to sustainability, engineering education for sustainable development (EESD), and particulate systems engineering. He is Principal Investigator on the EPA-funded project "Deep Societal Innovation for Sustainability and Human Flourishing" (DSIS, 2024–2028).

Shota Fujii · fujii-s@ssi.osaka-u.ac.jp

Affiliated with Osaka University's Social Solution Initiative (SSI). Specific public biographical details were not available, but SSI is the think-tank founded by Takuo Dome focused on bridging economics, sustainability, and social innovation.

Wakanyi Hoffman · hoffmanwakanyi@gmail.com

A storyteller, author, keynote speaker specializing in Ubuntu philosophy, a scholar of indigenous knowledge, and narrative weaver of Ubuntu wisdom in AI. She was born and raised in Kenya and has lived in 8 countries on 4 continents. She founded the African Folktales Project — an open-source resource of indigenous wisdom for school children — and currently leads the African Sustainable AI Systems group at the Inclusive AI Lab, Utrecht University. She is also a Fellow at The New Institute in Hamburg.

Indira S.E. van der Zande · i.s.e.van.der.zande@rug.nl

Vice Dean of Campus Fryslân and Associate Professor of Transformative Education & Applied Ethics and Co-director of the Center for Transformative Education at the University of Groningen. She is an interdisciplinary scholar with interests in transformative education, diversity and engagement, and curriculum design in higher education.

Ian Hughes · ian.hughes@ucc.ie

Senior Research Fellow at the MaREI Centre, Sustainability Institute, UCC, working on the DSIS project. He has a PhD in Physics from Queen's University Belfast and a Postgraduate Diploma in Psychoanalytic Psychotherapy. He also works as a Research Officer in the Department of Education and Youth, and is author of *Disordered Minds: How Dangerous Personalities are Destroying Democracy*.

Jacques Buith · jacques.buith@flynth.nl / jacques@buith.nl

Chairman of the Executive Board at Flynth (the Netherlands' largest accountancy and advisory firm for SMEs) since September 2024. He joined after a 33-year career at Deloitte, where he led the UN account team serving all UN organizations and was Sustainability/ESG partner from 2021. His focus areas are governance, strategy and risk management, with a specific focus on international development, climate & sustainability, and sustainability technology.

Michael Hoelzl · michael.hoelzl@manchester.ac.uk

Senior Lecturer in Political Philosophy and Religion in the Department of Religions and Theology at the University of Manchester since 2004. His research interests include social ethics, political theology, philosophy of law, and political philosophy with an emphasis on Schmittian studies. He has studied chemistry, philosophy, and theology in Salzburg, Graz, Berlin, and New York.

Michael Mulqueen · mmulqueen1@uclan.ac.uk

Researcher at the University of Central Lancashire (UCLan) with work in civil-military relations. He has published on Irish Defence Forces policy, including a chapter in *The EU, Irish Defence Forces and Contemporary Security* (Palgrave Macmillan, 2023).

Rob Oudendijk · rob@yr-design.biz

That's you — Dutch electrical engineer and hardware designer, co-founder of YR-Design, and core hardware developer for Safecast, living off-grid in Mitsue Village, Nara Prefecture, Japan.

Saori Obayashi · saori_obayashi.cgin@osaka-u.ac.jp

Affiliated with Osaka University's Center for Global Initiatives (CGI). Specific public biographical details were not available in current sources.

Takuo Dome · t-dome@econ.osaka-u.ac.jp / t.dome0921@gmail.com

Professor at the Graduate School of Economics and Special Advisor to the President of Osaka University, and Director of the Social Solution Initiative (SSI). He specializes in the history of economics and economic thought, with a focus on how Britain perceived economic phenomena during the Industrial Revolution. He received the Nikkei Economic Book Award and the Suntory Prize for Social Sciences and Humanities, and was awarded the Medal of Honor with purple ribbon in 2019. He founded the SSI think-tank in 2018.

Several addresses remain unresolved: kbe@bio.aau.dk (likely a bioscience researcher at Aalborg University), kita@arch.eng.osaka-u.ac.jp (an architecture/engineering faculty member at Osaka University), takayama@knockonthedoor.jp (associated with the [Knock on the Door](#) initiative, likely a social innovation practitioner in Japan), cliona@rcni.ie (affiliated with RCNI — the Rape Crisis Network Ireland), rxr01160@nifty.com, and tlkbishop22@gmail.com — if you know who any of these are, I can add them.
