⚠ **Reference translation only.** The **Japanese version is authoritative** for notarization and filing — this English text is for your understanding, not for submission. Fill all **【brackets】** before notarization.

Lean 3-person structure. Minimum people = 3 (the 2 founding members are also 2 of the 3 directors). No board of directors, no auditor. Keeps the non-profit-type corporate-tax exemption. **Before notarization — confirm:**

1. **At least 2 founding members** are mandatory (one person cannot form an association). If Yuka does not join, recruit a second founder + a third unrelated director.
2. **Non-profit related-party rule:** each director-plus-relatives group must be $\leq 1/3$ of all directors → with 3 directors, no two may be relatives. A director need not be a member.
3. **Name conflict check** at the Legal Affairs Bureau registry.
